

Join FastPay Network to streamline and automate your accounts receivables process today. Our Supplier Portal gives you insight into your invoices with detailed remittance data on all historical payments, while seamlessly integrating with your current accounting system.

FastPay works with hundreds of agencies and thousands of suppliers processing billions each year in media invoices and payments. Our exclusive relationships with media companies enables us to offer FastPay Network at scale with greater transparency into payments.

As a FastPay Network supplier, you'll receive...

Streamlined electronic payments, eliminating checks and saving you time

Access to robust remittance data of all historical payments through our dedicated Supplier Portal

Comprehensive API and custom reporting capabilities

Custom downloadable transaction data including location, amount, payment type, and more

Dedicated customer support team and direct access to agency finance teams for up to date payment status
