

FASTPAY POLITICAL

The only payments solution designed exclusively for political media agencies.

Paying political media invoices can be unnecessarily complex. Printing, scanning, and overnighting with FedEx® to meet last minute deadlines is both labor intensive and stressful.

FastPay Political was built to meet the unique demands of political media payments. From prepayment, to supplier notifications, to intensive supplier support and last minute payments, FastPay Political is the one solution trusted to facilitate more than \$1 billion in political payments.

FastPay Political provides an end-to-end solution that simplifies media payments and delivers:

Scalable proprietary technologies specific to media payments

\$1B

Over \$1 billion in political media payments

Maximum supplier reach and throughput

9+

More than nine years experience in the media ecosystem

Skilled support delivered by a team of media experts 24/7

60K

Access to 60,000 media suppliers

FastPay reduces friction and unlocks capital for buyers and suppliers across the media landscape. For more information contact us at info@gofastpay.com or **844-GET-EPAY**.
