

FastPay ePay is a payments processing solution designed to streamline, secure, and monetize your agency's media spending. Built specifically for the media industry, ePay works with your current media buying and accounting systems to seamlessly optimize your existing workflow through payment automation.

BENEFITS:

Proprietary technology designed to reach as many suppliers as possible

Flexible payment methods including virtual credit card, FastPay Network, check and ACH

Card Management feature makes it easy to manage multiple campaigns and VCCs in one place

Access to detailed reporting for quick and easy reconciliation

Integrations with partners like Advantage, Workamajig, Strata and more

Dedicated media payments team to provide support and ongoing supplier activations

"With FastPay, integration is so smooth. I just make sure the information is accurate in my accounting system, submit one file and it gets parsed out on the FastPay side. The implementation was super easy and it's kind of a set it and forget it partnership for me."

– Kevin Webb, CFO of Norbella
